Product info

HYLLTEKNIK II

Basic

Our cloakroom series Basic comes with everything extra -developed, designed and manufactured by Hyllteknik. Basic provides, together with our regular cloakroom products, a complete solution where the new bench/shoe shelves can be fitted with drip trays and the storage allows for lockable doors, perfect if you want to keep things for yourself. Basic is available in several colours and materials and all accessories such as hook- and boot rails are fully compatible. The series is also compatible with all our uprights and can be furnished to both wall and stand alone solutions.
