

## Assembly

## Instructions

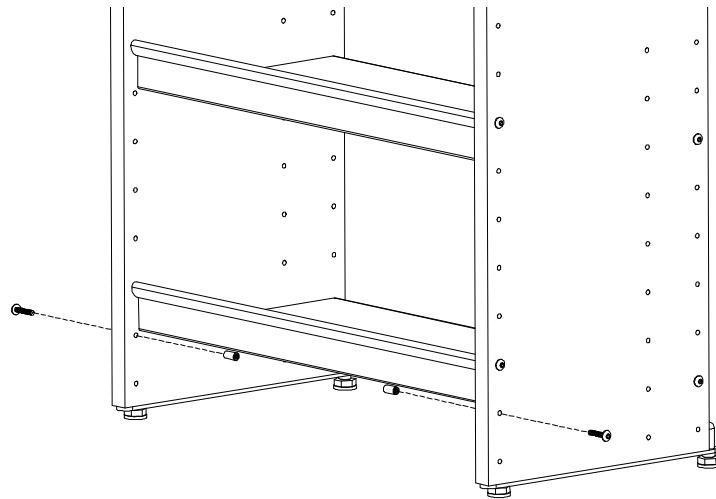

### LITTBUS Backs

|                                                                                   |        |                |
|-----------------------------------------------------------------------------------|--------|----------------|
|  | No. 1  | Screw M6 x 38  |
|  | No. 3  | Sleeve M6 x 20 |
|  | No. 9  | Socket M4 x 15 |
|  | No. 10 | Screw M4 x 20  |

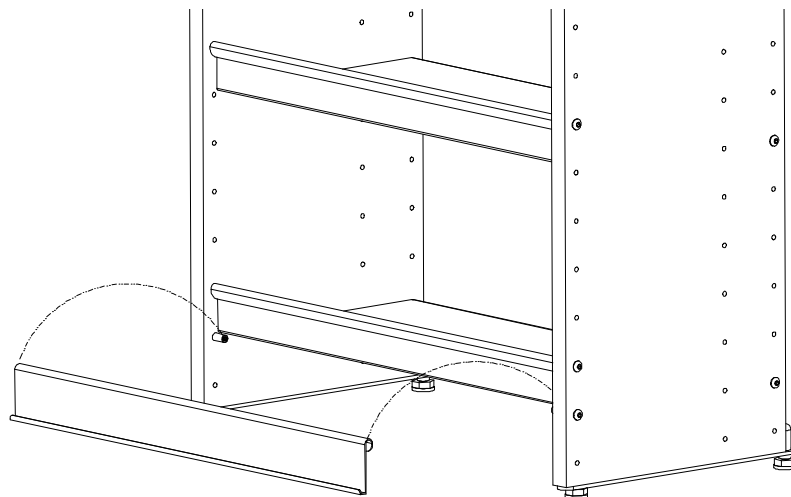

## 1.

Connect **Screw no. 1** with **sleeve no. 3** in the second hole from the bottom at the back.

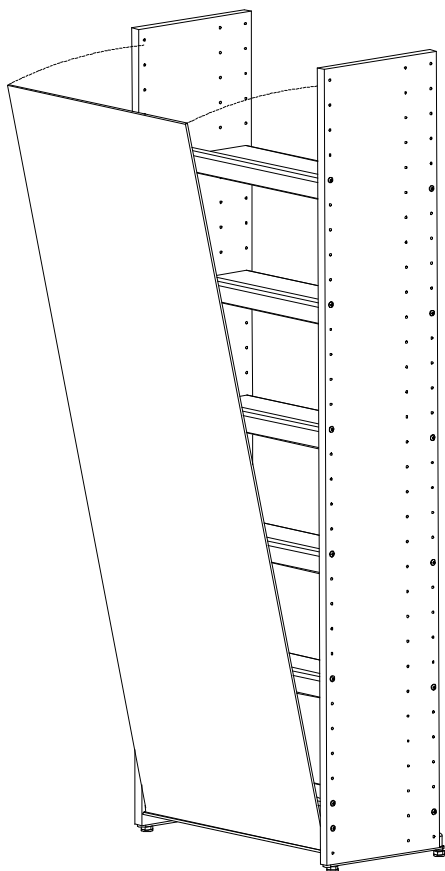

## 2.

Place the back strip on the sleeves.

**3.**

Put the back in the back strip and push it against the shelves.

**4.**

Fix the back with the small fittings, use **socket no. 9** and **screw no. 10**.
