Gold Sponsor

S5 Consulting AS (S5) is an employee-owned, Norway-based consulting company focusing on innovation and digital transformation projects. S5 has a team of highly skilled and certified experts. S5 is known for its ability to help clients execute change to add value by intelligently connecting people, things, and business. S5 achieves this by mixing our strong competence and business experience with utilizing great software end tools.

Since 2007, we have delivered consulting services to some of Norway's biggest companies, enabling them to become high-performance businesses. In 2019, we have 16 employees working at our Oslo office, and 20 external consultants available working from other locations.

The "5" in S5 reflects that we are focusing on Industry 5.0. The reason for us to focus on Industry 5.0 is to always strive to stay ahead of the curve and outpace our competitors, so our customers get advantages regarding lower costs and more efficient and updated technology than the companies you compete with.

Silver Sponsor

Sopra Steria er et ledende internasjonalt konsultentselskap som tilbyr en av markedets mest omfattende tjenesteporteføljer innen digitalisering.

Selskapet tilbyr strategiutvikling, IT-rådgivning, infrastruktur- og systemutvikling, digitale løsninger og drift. Sopra Steria bistår store private og offentlige organisasjoner i Skandinavia med å ta et digitalt lederskap innen sin bransje. Selskapet har 42 000 medarbeidere i over 20 land, og hadde en omsetning på 3,8 milliarder euro i 2017.

Sopra Steria bistår virksomheter med å forbedre og transformere sin forretnings- og informasjonsteknologi. Vi mener at et godt samspill mellom forretning og IT er essensielt for å oppnå selskapets mål. Sopra Steria har spesialister i både forretnings- og IT-rådgivning, og vi vet hva som fungerer i praksis og hva som er forbigående trender. Det kan for eksempel være forbedring av forretnings- og IT-strategier, styringsmodeller, digital transformasjon, moderniseringsprogrammer eller kostnadsoptimalisering.

Bouvet er et skandinavisk konsultentselskap som designer, utvikler, forvalter og gir råd om IT-løsninger og digital kommunikasjon.

Bouvet består av til sammen over 1350 ingeniører, designere, tekstforfattere, økonomer, statsvitere, psykologer, pedagoger, matematikere og antropologer som bistår bedrifter og samfunnsaktører i alle bransjer. Vi er lokalisert i 13 forskjellige kontorer rundt omkring i Norge.

Bouvet har et av Norges største SAP miljøer med over 90 spesialister innen SAP programvare og utøver sine tjenester til over 40 SAP kunder.

Vi leverer SAP tjenester innenfor prosjekter, consulting og forvaltning og dekker de fleste av SAP sine produkter.

Gjennom vårt SAP Totalforvaltningskonsept kan vi være din hovedpartner på SAP.

Vi forstår utfordringene og mulighetene i det norske markedet, har den nødvendige prosess- og forretningsinnsikten, samt kunnskapen om tekniske løsninger. Når dette kombineres med din inngående kunnskap om din bedrift vil vi finne nye muligheter som både effektiviserer arbeidet, øker kvaliteten og ikke minst gir grunnlag for et bedre resultat.

Vi har over 20 års fartstid med digitalisering av forretningsprosesser gjennom implementering av standard programvareapplikasjoner og etter hvert skytjenester. Bouvet har spesialisert seg på dette innen økonomi, salg, logistikk, service- og vedlikehold og kan derfor dekke alle de viktigste forretningsprosessene innen bransjer med logistikk-tunge bedrifter som utøver service og vedlikehold samt bedrifter med et stort volum kunder hvor det nettopp er viktig å være tett på disse
