

An aerial photograph of a city harbor at sunset. The sky is filled with dramatic, colorful clouds in shades of orange, pink, and purple. The sun is low on the horizon, casting a warm glow over the water and the city. The harbor is filled with water, and several small islands and peninsulas are visible. In the foreground, the city's architecture is visible, including modern buildings and a large square. The word "Welcome!" is overlaid in large, white, bold letters in the upper center of the image.

Welcome!
